

2018

January or February – General Council meets; date to be set. GC meets with all new committee chairs for some portion of the meeting.

February – General Council meets; Presbytery meets

May – General Council meeting; a first review of the structure changes “in actuality” will take place.

June – General Council meets; Presbytery meets. The reports to Presbytery will include a report of the first review of the new committee structure “in actuality.” CORP would present its annual “Representation” review to the Presbytery.

September – General Council meets; date to be set. GC would recommend any “tweaking” of the restructuring to the fall meeting of Presbytery.

September – CORP to begin its work for 2019 nominations, giving due consideration to the findings of its Representation component.

October – Any tweaking to the restructure offered by General Council would be considered by the Presbytery. CORP would present its “Nominating” slate to the Presbytery.
