## PRESBYTERIAN CHURCH

---

Dear Commissioners to Mission Presbytery:

Welcome to the Gulf Coast! Mission Presbytery will be meeting at Parkway Presbyterian Church in Corpus Christi on October 27 and 28. We are looking forward to your visit.

You will want to get busy making your room reservations. After hurricane Harvey most of our hotels have rooms available, but workers with FEMA, The American Red Cross, and displaced residents are all using the area hotels

This close to the water you will want to have some seafood. We will include a restaurant list in the packet.

Corpus Christi is a much easier city to negotiate than either San Antonio or Austin. You might hear someone say, "You can get anywhere in 20 minutes." That is fairly accurate. Because everyone wants to be near the water the city is about six miles wide and forty-miles long. US 358, locally known as SPID (South Padre Island Drive), is the freeway that runs through the city. However, because the city is built on the curve of the bay North, South, East, and West are only relative references and not exact directions.

Parking around the church is somewhat limited, but we will have "satellite parking" at a neighboring church and a shuttle to get you back and forth.

And for goodness sake, leave your fancy duds in the closet at home. You are coming to the beach!

Sincerely,

Allen Mosiman  
Pastor
